Freeland Rees Roberts

• **Quantity Surveyor:**
Davis Langdon

• **Principal Contractor:**
Barnes Construction

• **Value:**
£40k

• **Date:**
Summer 2009

Description

Rattee and Kett's package of works included opening up 2 original stone mullioned windows into doors, to allow access from the Chadwick Parlour directly into the central courtyard.

The works involved:

- Development of workshop drawings.
- Correct stone selection.
- Formation of staircases.
- Extending openings into doorways.
- Extending existing paving in keeping with the original.
